MONDAY 21TH OCTOBER**

Did you know that the flesh of over 60 million pumpkins is binned every year when Halloween comes around? That's a huge amount of preventable food waste!

Join Jess on Monday 27th October from 4-5.30pm to look at ways we can use the innards of carved pumpkins to make some delicious recipes! Think roast pumpkin salad, pumpkin puree to put into seasonal bakes and warming autumnal soup.
