

## Public Toilets on Arran

There are various public toilets around the island, run by community organisations, in return for a small onsite donation. Opening hours may vary from village to village:

**Brodick** – Brodick Beach, Brodick Hall (when library is open) and the ferry terminal, where there is a fully accessible facility.

**Lamlash** – at the pier playpark

**Whiting Bay** – Sandbraes and in the village. There is also a grey waste disposal unit for camping waste.

**Kildonan** – Kildonan Hall

**Kilmory** – Kilmory Hall

**Blackwaterfoot** – at the Harbour. There is also a grey waste disposal unit for camping waste.

**Lochranza** – across from the Ferry Terminal, and the pier waiting room.

**Corrie and Sannox** – Corrie and Sannox Village Hall

Please also note that local establishments are usually happy for you to use their facilities, provided you make a purchase (or perhaps offer a donation to a local charity...).
